

## ■ First Ever National Logistics Excellence Awards Conferred on 12 Winners

The first-ever National Logistics Excellence Awards was held New Delhi on 23rd June. The awards instituted by the Government of India aim to acknowledge the many logistics service providers in the country that have been able to display innovation, diversity and efficiency. Union Minister for

Commerce & Industry Shri Piyush Goyal along with the Minister of State for Commerce and Industry Shri Som Parkash Sharma gave away the awards in 12 categories. Speaking on the occasion, Shri Piyush Goyal said the resilient and efficient supply chains developed by the operators in the logistics sector helped India overcome the challenges of the COVID-19 pandemic and supported the growth in trade seen over the last two years. Emphasizing that the expansion of infra spending and Gati Shakti will benefit the logistics sector most, Shri Goyal asked the industry to involve start-ups to become more transparent and efficient.
