■ India's Largest Floating Solar Power Project Commissioned

India's largest floating solar power project is now fully operational. NTPC declared commercial operation of the final part capacity of 20 MW out of 100 MW Ramagundam Floating Solar PV Project at Ramagundam, Telangana with effect from 1st of July. The 100-MW Floating Solar project at Ramagundam is endowed with advanced technology as well as environment-friendly features. Constructed with a financial implication of 423 crore rupees, the project spreads over 500 acres of its reservoir.
