

■ New Scheme to Augment Research Capabilities in State Universities, Colleges

State University Research Excellence (SERB-SURE) launched on 03rd August is a new innovative scheme of the Science and Engineering Research Board (SERB), a statutory body of the Department of Science and Technology (DST). The scheme aims to augment the research capabilities in a structured way to create a robust R&D ecosystem in state and private universities and colleges, including self-financed institutions working within these universities. Under the scheme, the total research grants not exceeding Rs 30 lakhs for a period of three years are provided for minor equipment/s, research personnel, consumables, domestic travel, contingency and other costs (analytical charges, equipment user charges, fieldwork charges, etc.) "Overhead" is provided to the implementing institution as per prevailing norms of SERB. Details of the scheme and application link can be accessed at serbonline.in
