## ■ Airlines to Mandatorily Share PNR Details of International Flights with CBIC

The Central Board of Indirect Taxes and Customs (CBIC) has asked airlines to mandatorily share Passenger Name Record (PNR) details of all international flights departing from or arriving in the country 24 hours prior to the departure of flights.

The new rule notified under the PNR Regulations, 2022 on 08th August are meant to the enhance detection, interdiction and investigative capabilities of Customs Authorities using non-intrusive techniques for combating offences related to smuggling of contraband such as narcotics, psychotropic substances, gold, arms & ammunition etc. that directly impact national security.
