■ President Launches PM TB Mukht Bharat Abhiyaan, Ni-kshay Mitra Portal

The government has launched Pradhan Mantri TB Mukht Bharat Abhiyaan, the key highlight of which is the Ni-kshay Mitra portal. Launched virtually by President Smt Droupadi Murmu on 9th September 2022, the campaign aims to provide a platform for donors to make monetary contributions towards the dietary requirements of Tuberculosis (TB) patients as well as for additional diagnostics and vocational support. The donors, called Ni-kshay Mitras, could be a wide range of stakeholders including elected representatives, political parties, corporates, NGOs, and individuals. The initiative is a step towards reinvigorating the mission of TB elimination from the country by 2025, five years ahead of SDG (Sustainable Development Goals) target of 2030.
