BRAINWARE UNIVERSITY

Term End Examination 2021 - 22

Programme – Bachelor of Business Administration in Hospital Management Course Name – Medical Record Science & Hospital Information System Course Code - BBAHMC301

(Semester III)

Time: 1 Hr.15 Min. Full Marks: 60 [The figure in the margin indicates full marks.] Group-A (Multiple Choice Type Question) 1 x 60=60 Choose the correct alternative from the following: (1) ICD-9 is of a) Numeric in nature b) Alphabetical in nature c) Alpha-numeric in nature d) None of these (2) Bed occupancy rate is a part of a) Outpatient statistics b) Emergency statistics c) Inpatient statistics d) Administrative statistics (3) In the terminal digit filling method, the number used is usually of a) 6 digit b) 4 digit c) 3 digit d) 2 digit (4) Temperature and relative humidity most suitable for proper preservation of paper and o ther record materials range between a) 22-25 degree C and 45-55% respectively b) 20-22 degree C and 30-40% respectively c) 18-20 degree C and 25-35% respectively d) None of these (5) The color red in MR is used for a) The dead b) Discharged c) Admitted d) None of these (6) A bed index is maintained by the admitting department to show a) Patient related information b) Appropriate patient record c) Schedule of operation d) Current occupancy status (7) Medical records in teaching hospitals should be preserved for a) 5 years b) 7 years c) 10 years

d) 15 years

(8) The earliest documentation of medical practice in India is John in Ind	
c) Atharva Veda (9) ICD 9 consists of a) 2 volumes c) 4 volumes (10) Which hospital is credited with the first medical records department? a) Medical College, Kolkata c) St. Bartholomew, London (11) Chapter XI of ICD-10 contains diseases of a) Respiratory System c) Digestive System d) None of these (12) Post-operative death rate takes into account within days post-operative a) 10 days c) 5 days d) None of these (13) A medical record committee can be formed with a) Physicians and nurses b) Group D staffs c) Personnel of quality assurance d) None of these (14) All are methods of filing except a) Terminal Digit Filing c) Middle Digit Filing d) Asteric Code Filing (15) EMR indicates a) Electronic Medical Record c) All of these (16) Consumer protection act was started in the year-a) 1956 c) 1961 d) The initial patient intake history form b) Part of a body diagram, such as when the	
a) 2 volumes c) 4 volumes d) None of these (10) Which hospital is credited with the first medical records department? a) Medical College, Kolkata c) St. Bartholomew, London d) Apollo Hospital, Chennai (11) Chapter XI of ICD-10 contains diseases of a) Respiratory System c) Digestive System d) None of these (12) Post-operative death rate takes into account within days post-operative a) 10 days c) 5 days d) None of these (13) A medical record committee can be formed with- a) Physicians and nurses c) Personnel of quality assurance d) None of these (14) All are methods of filing except a) Terminal Digit Filing c) Middle Digit Filing d) Asteric Code Filing (15) EMR indicates a) Electronic Medical Record c) All of these d) None of these (16) Consumer protection act was started in the year- a) 1956 c) 1961 d) None of a body diagram, such as when the	
c) 4 volumes c) 4 volumes d) None of these (10) Which hospital is credited with the first medical records department? a) Medical College, Kolkata c) St. Bartholomew, London d) Apollo Hospital, Chennai (11) Chapter XI of ICD-10 contains diseases of a) Respiratory System c) Digestive System d) None of these (12) Post-operative death rate takes into account within days post-operative a) 10 days c) 5 days d) None of these (13) A medical record committee can be formed with- a) Physicians and nurses b) Group D staffs c) Personnel of quality assurance d) None of these (14) All are methods of filing except a) Terminal Digit Filing c) Middle Digit Filing d) Asteric Code Filing (15) EMR indicates a) Electronic Medical Record c) All of these d) None of these (16) Consumer protection act was started in the year- a) 1956 c) 1961 d) 1996 (17) Face sheet refers to a) The initial natient intake history form b) Part of a body diagram, such as when the	
(10) Which hospital is credited with the first medical records department? a) Medical College, Kolkata c) St. Bartholomew, London d) Apollo Hospital, Chennai (11) Chapter XI of ICD-10 contains diseases of a) Respiratory System b) Circulatory System c) Digestive System d) None of these (12) Post-operative death rate takes into account within days post-operative a) 10 days b) 7 days c) 5 days d) None of these (13) A medical record committee can be formed with a) Physicians and nurses b) Group D staffs c) Personnel of quality assurance d) None of these (14) All are methods of filing except a) Terminal Digit Filing c) Middle Digit Filing d) Asteric Code Filing (15) EMR indicates a) Electronic Medical Record c) All of these d) None of these (16) Consumer protection act was started in the year-a) 1956 c) 1961 d) 1986 c) 1961 d) 1999 (17) Face sheet refers to a) The initial patient intake history form b) Part of a body diagram, such as when the	
a) Medical College, Kolkata c) St. Bartholomew, London (11) Chapter XI of ICD-10 contains diseases of a) Respiratory System c) Digestive System d) None of these (12) Post-operative death rate takes into account within days post-operative a) 10 days c) 5 days d) None of these (13) A medical record committee can be formed with a) Physicians and nurses b) Group D staffs c) Personnel of quality assurance d) None of these (14) All are methods of filing except a) Terminal Digit Filing c) Middle Digit Filing d) Asteric Code Filing (15) EMR indicates a) Electronic Medical Record c) All of these d) None of these (16) Consumer protection act was started in the year-a) 1956 c) 1961 d) 1986 c) 1961 d) Part of a body diagram, such as when the	
a) Medical College, Kolkata c) St. Bartholomew, London (11) Chapter XI of ICD-10 contains diseases of a) Respiratory System c) Digestive System d) None of these (12) Post-operative death rate takes into account within days post-operative a) 10 days c) 5 days d) None of these (13) A medical record committee can be formed with a) Physicians and nurses b) Group D staffs c) Personnel of quality assurance d) None of these (14) All are methods of filing except a) Terminal Digit Filing c) Middle Digit Filing d) Asteric Code Filing (15) EMR indicates a) Electronic Medical Record c) All of these d) None of these (16) Consumer protection act was started in the year-a) 1956 c) 1961 d) 1986 c) 1961 d) Part of a body diagram, such as when the	
c) St. Bartholomew, London (11) Chapter XI of ICD-10 contains diseases of a) Respiratory System b) Circulatory System c) Digestive System d) None of these (12) Post-operative death rate takes into account within days post-operative a) 10 days b) 7 days c) 5 days d) None of these (13) A medical record committee can be formed with a) Physicians and nurses b) Group D staffs c) Personnel of quality assurance d) None of these (14) All are methods of filing except a) Terminal Digit Filing c) Middle Digit Filing d) Asteric Code Filing (15) EMR indicates a) Electronic Medical Record c) All of these d) None of these (16) Consumer protection act was started in the year-a) 1956 c) 1961 d) 1986 c) 1961 d) 1999 (17) Face sheet refers to a) The initial patient intake history form b) Part of a body diagram, such as when the	
a) Respiratory System c) Digestive System d) None of these (12) Post-operative death rate takes into account within days post-operative a) 10 days c) 5 days d) None of these (13) A medical record committee can be formed with a) Physicians and nurses b) Group D staffs c) Personnel of quality assurance d) None of these (14) All are methods of filing except a) Terminal Digit Filing c) Middle Digit Filing d) Asteric Code Filing (15) EMR indicates a) Electronic Medical Record c) All of these d) None of these (16) Consumer protection act was started in the year- a) 1956 c) 1961 d) 1999 (17) Face sheet refers to a) The initial patient intake history form b) Part of a body diagram, such as when the	
a) Respiratory System c) Digestive System d) None of these (12) Post-operative death rate takes into account within days post-operative a) 10 days c) 5 days d) None of these (13) A medical record committee can be formed with a) Physicians and nurses b) Group D staffs c) Personnel of quality assurance d) None of these (14) All are methods of filing except a) Terminal Digit Filing c) Middle Digit Filing d) Asteric Code Filing (15) EMR indicates a) Electronic Medical Record c) All of these d) None of these (16) Consumer protection act was started in the year- a) 1956 c) 1961 d) 1999 (17) Face sheet refers to a) The initial patient intake history form b) Part of a body diagram, such as when the	
c) Digestive System (12) Post-operative death rate takes into account within days post-operative a) 10 days b) 7 days c) 5 days d) None of these (13) A medical record committee can be formed with a) Physicians and nurses b) Group D staffs c) Personnel of quality assurance d) None of these (14) All are methods of filing except a) Terminal Digit Filing c) Middle Digit Filing d) Asteric Code Filing (15) EMR indicates a) Electronic Medical Record c) All of these d) None of these (16) Consumer protection act was started in the year- a) 1956 c) 1961 d) 1999 (17) Face sheet refers to a) The initial patient intake history form b) Part of a body diagram, such as when the	
(12) Post-operative death rate takes into account within days post-operative a) 10 days c) 5 days d) None of these (13) A medical record committee can be formed with - a) Physicians and nurses b) Group D staffs c) Personnel of quality assurance d) None of these (14) All are methods of filing except a) Terminal Digit Filing c) Middle Digit Filing d) Asteric Code Filing (15) EMR indicates a) Electronic Medical Record c) All of these d) None of these (16) Consumer protection act was started in the year- a) 1956 c) 1961 d) 1999 (17) Face sheet refers to a) The initial patient intake history form b) Part of a body diagram, such as when the	
a) 10 days c) 5 days d) None of these (13) A medical record committee can be formed with a) Physicians and nurses b) Group D staffs c) Personnel of quality assurance d) None of these (14) All are methods of filing except a) Terminal Digit Filing b) Straight Numeric Filing c) Middle Digit Filing d) Asteric Code Filing (15) EMR indicates a) Electronic Medical Record b) Entire Medical Record c) All of these d) None of these (16) Consumer protection act was started in the year- a) 1956 c) 1961 b) 1986 c) 1961 c) The initial patient intake history form b) Part of a body diagram, such as when the	
c) 5 days (13) A medical record committee can be formed with - a) Physicians and nurses b) Group D staffs c) Personnel of quality assurance d) None of these (14) All are methods of filing except a) Terminal Digit Filing c) Middle Digit Filing d) Asteric Code Filing (15) EMR indicates a) Electronic Medical Record c) All of these d) None of these (16) Consumer protection act was started in the year- a) 1956 c) 1961 d) 1996 (17) Face sheet refers to a) The initial patient intake history form b) Part of a body diagram, such as when the	
a) Physicians and nurses c) Personnel of quality assurance d) None of these (14) All are methods of filing except a) Terminal Digit Filing b) Straight Numeric Filing c) Middle Digit Filing d) Asteric Code Filing (15) EMR indicates a) Electronic Medical Record c) All of these d) None of these (16) Consumer protection act was started in the year- a) 1956 c) 1961 b) 1986 c) 1961 d) 1999 (17) Face sheet refers to a) The initial patient intake history form b) Part of a body diagram, such as when the	
a) Physicians and nurses c) Personnel of quality assurance d) None of these (14) All are methods of filing except a) Terminal Digit Filing b) Straight Numeric Filing c) Middle Digit Filing d) Asteric Code Filing (15) EMR indicates a) Electronic Medical Record c) All of these d) None of these (16) Consumer protection act was started in the year- a) 1956 c) 1961 b) 1986 c) 1961 d) 1999 (17) Face sheet refers to a) The initial patient intake history form b) Part of a body diagram, such as when the	
c) Personnel of quality assurance (14) All are methods of filing except a) Terminal Digit Filing b) Straight Numeric Filing c) Middle Digit Filing d) Asteric Code Filing (15) EMR indicates a) Electronic Medical Record c) All of these d) None of these (16) Consumer protection act was started in the year- a) 1956 c) 1961 b) 1986 c) 1961 d) 1999 (17) Face sheet refers to a) The initial patient intake history form b) Part of a body diagram, such as when the	
(14) All are methods of filing except a) Terminal Digit Filing b) Straight Numeric Filing c) Middle Digit Filing d) Asteric Code Filing (15) EMR indicates a) Electronic Medical Record c) All of these d) None of these (16) Consumer protection act was started in the year- a) 1956 c) 1961 b) 1986 c) 1961 d) 1999 (17) Face sheet refers to a) The initial natient intake history form b) Part of a body diagram, such as when the	
a) Terminal Digit Filing b) Straight Numeric Filing c) Middle Digit Filing d) Asteric Code Filing (15) EMR indicates a) Electronic Medical Record c) All of these b) Entire Medical Record d) None of these (16) Consumer protection act was started in the year- a) 1956 c) 1961 b) 1986 c) 1961 d) 1999 (17) Face sheet refers to a) The initial patient intake history form b) Part of a body diagram, such as when the	
c) Middle Digit Filing (15) EMR indicates a) Electronic Medical Record b) Entire Medical Record c) All of these d) None of these (16) Consumer protection act was started in the year- a) 1956 b) 1986 c) 1961 d) 1999 (17) Face sheet refers to a) The initial patient intake history form b) Part of a body diagram, such as when the	
(15) EMR indicates a) Electronic Medical Record b) Entire Medical Record c) All of these d) None of these (16) Consumer protection act was started in the year- a) 1956 c) 1961 b) 1986 c) 1961 d) 1999 (17) Face sheet refers to a) The initial patient intake history form b) Part of a body diagram, such as when the	
c) All of these (16) Consumer protection act was started in the year- a) 1956 b) 1986 c) 1961 d) 1999 (17) Face sheet refers to a) The initial patient intake history form b) Part of a body diagram, such as when the	
c) All of these (16) Consumer protection act was started in the year- a) 1956 b) 1986 c) 1961 d) 1999 (17) Face sheet refers to a) The initial patient intake history form b) Part of a body diagram, such as when the	
a) 1956 b) 1986 c) 1961 d) 1999 (17) Face sheet refers to a) The initial patient intake history form b) Part of a body diagram, such as when the	
a) 1956 b) 1986 c) 1961 d) 1999 (17) Face sheet refers to a) The initial patient intake history form b) Part of a body diagram, such as when the	
c) 1961 d) 1999 (17) Face sheet refers to a) The initial patient intake history form b) Part of a body diagram, such as when the	
a) The initial patient intake history form b) Part of a body diagram, such as when the	
a) The initial patient intake history form b) Part of a body diagram, such as when the as been a facial laceration	
	ere h
c) Information collected by the admitting or tria ge nurse d) Registration form when presenting for he al care	ospit
(18) Which of the following does not belong with the others	
a) Progress notes b) Visit summary	
c) SOAP note d) Interdisciplinary progress notes	
(19) According to ICD, disease can be classified as:	
a) Anatomical b) Pathological	
c) Both a and b d) Other	
(20) Coding refers to excluding-	
a) Translation of narrative descriptions of disea b)	
se A process of assigning numbers to diseas procedural terms	se &

 c) Resident assessment instrument utilization g uidelines 	A principal source of information coded in medical record		
(21) What type of management system includes pati-	ent scheduling?	He Vinse	
a) Core systems	b) Business systems	Brainware University Brainware University 398, Ramkrichnapur Road, Barasat Volkala, West Bengal-700128	
c) Finance systems	d) Medical systems	Brainwahnapur Noach 700126	
(22) Medical Records are created and maintained for	the benefit of-	398, Rankrichnapur Road, Baras Kolkala, West Bengal 700125	
a) Patients	b) Medical staff	Landerson December 1	
c) Hospital	d) All of these		
(23) Which of the following parties is not likely to re	view the medical record?		
a) Insurance auditory	b) A consultant		
c) A vendor	d) Medical record officer		
(24) Paper medical records are usually stored in-	a) Medical record officer		
a) Boxes	b) Filing		
c) Shelves	d) Software		
(25) How does clinical documentation support eviden			
-1			
in legal proceedings	 b) Good data regarding patients a foundation of high-quality ntation 	nt care is based on ty clinical docume	
 c) Evidence-based medicine requires seven asp ects of documentation 	d) Only care provided in research requires evid ence-based care plans		
(26) What is the key clinical document that details th on arrival at an acute care facility?	e patient's condition and evalua	ation up	
a) History and physical report	b) Progress notes		
c) Consultation reports	d) Discharge summary reports	s	
(27) Regulations are established per:		make of Children 1991	
a) Constitutional law	b) Administrative law		
c) Statutory law	d) Judicial law		
(28) POMR was introduced in the year-	Top see to be extended action		
a) 1960	b) 1962		
c) 1957	d) 1970		
(29) A medical record committee is created as:	regal market evapored by list		
a) To review the all records	b) To do focus on patient qual	ity of a homital	
c) To prevent any legal cases	d) All of them	ity of a nospital	
(30) What is the full form of LAMA -	ni haributu ya		
a) Leave against medical advice	b) Live against medical advice	and the same of	
c) Either Leave against medical advice and Liv e against medical advice	d) None of these		
(31) What is the full form of DAMA -			
a) Death after medical advice	b) discharge against medical a	duine	
c) Disease against medical advice	d) None of these	UVICE	
(32) Gross Death Rate within a hospital equals to -	a) I tolle of mese		
a) Death rate of Inpatient hospitalization	b) Death rate for emergency pa within 48 hours of hospitali	atients occurring	
c) Both Death rate of Inpatient hospitalization a	d) death rate after surgery	Zanon	

	Brainware University Brainware University
(46) Medical audit is required for:	Brainware University 388, Ramkishnapur Road, Barasi Kolkata, West Bengal-700125
a) Review of professional work	ty A t t 6 U-les des signation
 c) Capacity utilization of all the functional dep rtments 	b) A mechanism for realizing the situation (a) All of these
(47) MIS means-	
a) Management Information System c) Maintenance of Indian Survey	b) Memory Improvement System d) Multiple Information system
(48) Purpose of hospital management system is to	
a) improve customer service	b) reduce process costs
 c) streamline the search of medical records (49) Queuing Theory are used for: 	d) All of these
a) To keep lines in an organized manner	b) To save time for customers
 c) To provide excellent satisfaction 	d) All of these
(50) Management Level System serves	
a) Monitoring	b) Controlling
c) Decision making	d) All of these
(51) EDI stands for what?	
a) Electronic Data Interchange	b) Electrical Data Interchange
c) Work flow Automation Software	d) Enhanced Data Interchange
(52) HMIS stands for -	
a) Hospital management information system	b) Holistic management information system
c) Hospital material information system	d) Holistic material information system
(53) What is the fact that are properly arranged, cla	ssified and organized?
a) Data	b) Events
c) Statements	d) Information
(54) The purpose of a registry?	
a) Cost care	b) Capture patient experiences
c) Validate patient experiences	d) Distinguish Patient experiences
(55) In ICD- oncology, specific informations are req	quired regarding:
a) outcome of treatment is the study of tumours or neoplasm known as oncology.	 b) adequate statistical information and follow-u p of patients, a detailed classification establi shed to record the numbers and types of tum ours
c) Both outcome of treatment is the study of tu mours or neoplasm known as oncology and a	d)
dequate statistical information and follow-up of patients, a detailed classification establish ed to record the numbers and types of tumou rs	None of these
(56) To become an effective MIS department must st	ate its
a) Goals	
c) Profit	b) Objective
(57) What is not including under MLC cases?	d) Mission
a) Evident sexual assault	1. 2
-) = rident sexual assault	b) Criminal abortion

d) Natural death in heart attach c) Factory accident (58) Medical audit is needed for: b) To provide opportunities for training and edu a) To identify and promotes good practice in ho spitals cation c) To be ensure about the better use of resource All of these s and increase efficiency (59) The full form of MPI refersb) Mission payload integration a) Master patient index c) Multiphoton Ionization d) None of these (60) The conventional method of arrangement of medical records is a) SOMR b) POMR c) IMR d) SOAP
