## ■ Centre Formulates Action Plan to Promote Exports of Millet

The Centre has formulated an action plan to promote exports of millets. The action plan envisages participation of millet exporters, farmers, and traders in 16 International Trade Expos and Buyer-Seller Meets across the globe. For this, Indian missions abroad would be roped in for the branding and publicity of Indian millets. The United Nations has declared 2023 as the International Year of Millets. India is one of the leading producers of millets in the world with an estimated share of around 41 percent in global production.
