■ 25000 Ponds Completed So Far Under Mission Amrit Sarovar

The government has completed the construction of more than 25,000 ponds across the country during the last 6 months under Mission Amrit Sarovar. The mission aims to build 50,000 Amrit Sarovars by 15th August, 2023. According to the Ministry of Rural development, as of on 17th of November 2022, about 90,531 sites have already been identified for the construction of Amrit Sarovars, out of which construction work is underway on 52,245 sites.
