■ Winter Session of Parliament Begins

The Winter Session of Parliament has begun (from December 7, 2022), with the Prime Minister, Shri. Narendra Modi calling for collective efforts from all political parties to make the session more productive. He described the session as significant in the context of India assum-

ing the G20 Presidency and entering the 'Amrit Kaal'. The Winter Session will last till 29 December, with 17 sittings over 23 days. Sixteen new bills are expected to be tabled in this session, including the Multi-State Cooperative Societies (Amendment) Bill, 2022. This is also the inaugural session where the Vice President, Shri. Jagdeep Dhankar officiated proceedings in the Rajya Sabha as the ex-officio chairman of the Upper House.
