

■ Uttarakhand Global Investors Summit Focuses on Bolstering Industrial Growth

With the aim of positioning Uttarakhand as a key investment hub, the Uttarakhand Global Investors Summit was held at Forest Research Institute (FRI) in Dehradun on 8-9 December, 2023. Prime Minister Shri Narendra Modi addressed investors gathered at the Summit, and highlighted the state's untapped potential and recent advancements in road, rail, and air infrastructure.

Emphasising the scope for tourism investment, he urged citizens to opt for destination weddings in Uttarakhand. PM Modi also stressed the importance of bolstering local supply chains, supporting MSMEs, and focusing on increasing exports while reducing imports. Launching the 'House of Himalayas' brand by women's Self-Help Groups, he envisioned uplifting 2 crore rural women. The Summit attended by investors from India and abroad, aimed to leverage the state's investor-friendly policies for significant industrial growth.
