■ **Scholarships for Ex-Servicemen in PG, Advanced Management Programmes**

The Ministry of Defence and the Indian School of Business (ISB) have entered into an agreement under which ISB will provide scholarships to ex-servicemen transitioning to civilian life. Through this collaboration, ISB will grant a 50% tuition fee waiver, totaling up to Rs. 2.3 crore annually, for its postgraduate and advanced management programs. This initiative will benefit 22 ex-servicemen each academic year, enhancing their management skills alongside their existing military expertise.
