

■ Voice of Global South Reflects the Changing World in 21st Century: PM ■

Prime Minister Shri Narendra Modi has said Voice of Global South is a unique platform reflecting the changing world in the 21st century. In his address at the inaugural session of the virtual Voice of Global South Summit, Shri Modi said Global South has been able to find its voice after the concerted efforts of all Global South nations. He added that the priorities of the over 100 countries constituting Global South are similar. He said new challenges are emerging from the events in the West Asia region. Shri Modi said India strongly condemns the deaths of civilians in the conflict between Israel and Hamas. He said that after speaking to Palestinian President Mahmoud Abbas, humanitarian aid was sent for the people of Palestine. He emphasised that in the era of Artificial Intelligence, there is a need to utilise technology in a responsible way. He announced that India will host AI Global Partnership Summit next month.
