

■ IIT-Delhi Abu Dhabi Launches Master's Programme in Energy Transition and Sustainability at Zayed University

The Indian Institute of Technology Delhi Abu Dhabi (IIT-Delhi Abu Dhabi) has introduced a pioneering master's programme in Energy Transition and Sustainability (ETS) at Zayed University. Commencing in January 2024, the programme aligns with the UAE's COP28 hosting and the Year of Sustainability, aiming to equip energy professionals with skills for sustainable solutions. The initiative, part of the UAE National Energy Strategy 2050, reflects IIT-Delhi Abu Dhabi's commitment to education and sustainable practices.
