■ **MSME Sector Surpasses 15 Crore Employment Milestone, Udyam Portal Plays Vital Role**

India's Micro, Small, and Medium Enterprises (MSME) sector has generated over 15 crore employment opportunities, according to Union MSME Minister Shri Narayan Rane. The Minister attributed this success to the Udyam portal, with more than three crore MSME units registered. Notably, over 41 lakh are women-owned MSMEs, contributing significantly to the employment opportunities, where over 3.4 crore are held by women. Minister Shri Rane emphasised the government's ongoing support and initiatives, foreseeing strengthened contributions from the MSME sector to India's
