

## ■ G20 FMCBGs Resolve to Coordinate Global Strategy for Crypto Asset Regulation

The fourth and final meeting of the G20 Finance Ministers and Central Bank Governors (FMCBGs) in Marrakech, Morocco, culminated in the adoption of a Communiqué, placing a strong emphasis on the regulation of crypto assets. The FMCBGs embraced the G20 Roadmap aimed at coordinating global policies and developing strategies for the rapidly evolving world of crypto assets. The meeting also underscored the need for transformative changes in the vision, operational models, and financial capacities multilateral development banks.
