

■ India Launches Operation Ajay to Repatriate Indian Nationals from Israel

In response to the ongoing tensions in Israel, India's External Affairs Ministry has launched 'Operation Ajay' to facilitate the repatriation of Indians in Israel wishing to return home. The inaugural flight under the operation successfully landed in New Delhi on October 13 with 212 Indian nationals. The Indian Embassy in Israel has set up a system of email registrations by citizens wishing to be rescued, underlining the commitment to ensuring the safe return of all Indian nationals affected by the situation
