- **"Time to Move Forward Together" says PM Modi at P20 Summit**
India hosted the 9th G20 Parliamentary Speakers' Summit (P20) at YashoBhumi in New Delhi from October 13 to 14. Addressing the summit, Prime Minister Shri Narendra Modi said, "A divided world cannot give solutions to the challenges before us. This is a time for peace and brotherhood, a time to move together, a time to move forward together. This is the time for development and welfare of all." The

event saw the participation of 25 speakers, 10 Deputy Speakers, and 50 members of Parliaments of different countries. For the first time in the history of G20, representatives of the Pan African Parliament also participated in the P20 Summit. The summit featured four high-level sessions addressing sustainable development, energy transition, women-led development, and public digital platforms with the aim to foster consensus-based solutions for global issues.
