## ■ On National Sports Day, Minister Launches Fit India Quiz, National Sports Federations Portal

On National Sports Day 2023 (August 29), Union Minister for Youth Affairs and Sports, Shri Anurag Singh Thakur unveiled National Sports Federations portal. The portal aims to streamline processes for NSFs, including annual recognition renewals and elections. It replaces the physical submission of documents and enhances coordination between the Department of Sports and NSFs. An online portal for sports infrastructure project proposals and sports equipment demand under the Khelo India Scheme has been introduced, simplifying the application process. The Minister also launched the third edition of the Fit India Quiz and several other initiatives. Releasing an information booklet showcasing sports infrastructure projects under the Khelo India Scheme, the minister announced that efforts are underway to establish 1000 Khelo India Centres across the country.
