

## Railway Board Gets First Woman CEO

Ms. Jaya Sinha Verma has become the first women Chairperson and Chief Executive Officer of the Railway Board. She had a distinguished career as Member (Operations and Business Development) within the Railway Board where she oversaw the comprehensive transportation of both freight and passenger services throughout the Indian Railways network. She served as the Railway Advisor at the High Commission of India in Dhaka, Bangladesh, when the

renowned Maitri Express, connecting Kolkata to Dhaka, was inaugurated. She belongs to 1988 batch of Indian Railways Traffic Service.
