## ■ **PM Modi Advocates Tailored Social Protection at G20 Labour & Employment Meet**

Prime Minister Shri Narendra Modi has said that social protection approaches should be tailored to suit each country's unique circumstances. He was virtually addressing the G20 Labour and Employment Ministers Meet held in Indore, Madhya Pradesh on July 21. Emphasising the significance of technology as the core driver for employment in the Fourth Industrial Revolution era, the PM highlighted skilling, re-skilling, and up-skilling as crucial elements for the future workforce. The Prime Minister praised India's 'Skill India Mission' and 'Pradhan Mantri Kaushal Vikas Yojana,' which have trained millions of youth, with a focus on AI, robotics, IoT, and drones. He recognised the gig economy's resilience during the pandemic and called for policies to ensure social security and empowerment.
