■ Satwiksairaj Rankireddy Creates Guinness World Record with Lightning-Fast Badminton Shot

Indian badminton star Satwiksairaj Rankireddy has achieved an extraordinary feat, securing the Guinness world record for the fastest badminton shot by a male player. During a game on July 19, he unleashed a stunning smash at an incredible speed of 565 kilometers per hour, shattering the previous record set in 2013. The record-breaking shot was officially verified by Guinness world records judges, solidifying Satwik's place in history.

This impressive achievement took place in a controlled environment at the Yonex factory gymnasium in Japan. Malaysia's Tan Pearly also clinched the world record for the fastest female badminton hits, reaching an impressive speed of 438 kilometers per hour.
