

global recognition for Indian universities.

## ■ National Research Foundation Bill, 2023 to Strengthen Research Eco-System

The Union Cabinet, chaired by the Prime Minister Shri Narendra Modi, on Jun 28 approved the introduction of the National Research Foundation (NRF) Bill, 2023 in the Parliament. The approved Bill will pave the way to establish NRF that will seed, grow and promote Research and Development (R&D) and foster a culture of research

and innovation throughout India's universities, colleges, research institutions, and R&D laboratories. NRF will forge collaborations among the industry, academia, and government departments and research institutions, and create an interface mechanism for participation and contribution of industries and State governments in addition to the scientific and line ministries.
