■ Flight Test of DRDO's New Generation Ballistic Missile 'Agni Prime' Successful

Defence Research and Development Organisation (DRDO) successfully flight-tested the New Generation Ballistic Missile 'Agni Prime' from Dr APJ Abdul Kalam Island off the coast of Odisha on June 7, paving way for the induction of the system into the Armed Forces. This was the first pre-induction night launch of the missile after three successful developmental trials. It has a range of up to two thousand kilometers.
