

emphasised that technology should be used as an instrument of social justice.

### ■ **Massive Infrastructure Investments Generate Employment Opportunities: PM**

Prime Minister Shri Narendra Modi, in a video message, addressed over 40,000 newly recruited individuals from various Assam government departments at the appointment letter distribution programme in Guwahati. Likewise, Union Home Minister Shri Amit Shah distributed appointment letters to new recruits at the Veterinary College Playground in Guwahati. The Prime Minister emphasised the substantial investments are being made in modernising India's infrastructure such as highways, expressways, railway lines, and ports, and that each new project provides employment and self-employment opportunities across various sectors.
