

station, and various town planning roads.

■ **Y20 Consultation: Discussions held on Climate Protection & Sustainable development**

India hosted the Youth 20 (Y20) group's Y20 Consultation at the University of Kashmir from 10-11 May 2023, as part of its G20 presidency. The event aimed to counsel the youth of the country on ideas for a better tomorrow and draft a plan for action on 'Climate Change and Disaster Risk Reduction: Making Sustainability a Way of Life', which is one of the five themes of the Y20 group of G20. The two-day event swirled around youth participation in tackling some of the most pressing global issues like threats of climate change, promotion of sustainable development and green energy.
