■ **India, Kuwait Agree to Expedite Implementation of Domestic Sector Workforce Agreement**

India and Kuwait have reaffirmed the significance of implementing the Domestic Sector Workforce Agreement that brings Indian workers in Kuwait within the ambit of a legal framework that streamlines their recruitment and provides them protection of law. It also introduces an employment contract to ensure the rights and obligations of employers and workers, and a mechanism for 24-hour assistance workers. During the recently concluded 5th India-Kuwait Foreign Office Consultations in New Delhi, delegations of both sides engaged in a thorough review of their bilateral cooperation while exchanging perspectives on regional and international matters of shared interest.
