

■ India Overtakes Australia to Claim Top Spot in Latest ICC Test Rankings

The International Cricket Council has announced that India has surpassed Australia to become the number one Test team in the latest rankings. Australia's 15-month reign at the top has come to an end, with India taking over as the top-ranked team ahead of the upcoming ICC World Test Championship final. India currently holds 121 points, while Australia stands at the second spot with 116 points. The Indian team's impressive performance in the Border-Gavaskar trophy earlier this year, where they beat Australia 2-1, has played a vital role in securing the top spot.
