

... will be completely disbanded, bringing an end to the long-standing insurgency by the group.

■ India Showcases its World-Class Education System at Global Expo in Dubai

The 'Study in India Pavilion' was inaugurated at the prestigious Global Education & Training Exhibition (GETEX) in Dubai by the Consul General of India in Dubai, Dr. Aman Puri. This pavilion, spanning over 200 sqm at the Dubai World Trade Centre, is a platform for more than 30 universities and edtech stakeholders of Indian

higher education to showcase their offerings. With a focus on promoting India as a top destination for higher education, the pavilion features cutting-edge technologies and innovative teaching methodologies that make Indian universities stand out in the global education landscape. The pavilion serves as a launchpad for building strategic partnerships and collaborations with international institutions, further strengthening India's position as a global education hub.
