■ **Visakhapatnam Railway Station Gets Highest 'Platinum' Rating for Green Initiatives**

Visakhapatnam railway station of East Coast Railway has been awarded the 'Green Railway Station Certification with highest rating of Platinum' by the Indian Green Building Council (IGBC) for adopting green concepts thereby reducing the adverse environmental impact. Visakhapatnam secured 82 out of 100 points in six environmental categories. The Environment Directorate of Indian Railways, with the support of the IGBC, has developed the Green Railway Station rating system. It addresses national priorities such as water conservation, handling of waste, energy efficiency, reduced use of fossil fuel, lesser dependence on usage of virgin materials and health and well-being of occupants.
