- **Benjamin Netanyahu Re-elected as Israel's Prime Minister**

  Benjamin Netanyahu has been re-elected as Israel's Prime Minister. Netanyahu's cabinet, which includes the Religious Zionism and Jewish Power parties, received 63 of 120 parliamentary votes. Netanyahu has repeatedly pledged to promote tolerance and pursue peace. He told parliament that "ending the Israeli-Arab conflict" was his top priority, along with thwarting Iran's nuclear programme and building up Israel's military capacity. Prime Minister Shri. Narendra Modi congratulated Netanyahu and said he is looking forward to strengthening their strategic partnership.
