ACKNOWLEDGEMENT

The success and final outcome of this project required a lot of guidance and assistance from many people, and I am extremely fortunate to have received this throughout the completion of my project work. Whatever I have done is only due to such guidance and assistance, and I would not forget to thank them.

I respect and thank **Prof. (Dr.) Prasenjit Mondal**, HOD, Department of Pharmaceutical Technology, Brainware University, for giving me the opportunity to do the project work and providing us all support and guidance, which made me complete the project on time. I owe my profound gratitude to my guide, **Mr. Ayon Dutta**, Associate Professor, Department of Pharmaceutical Technology, Brainware University, Barasat, who took a keen interest on my project work and guided me all along, till the completion of my project work by providing all the necessary information for carrying out the project. I am grateful to my co-guide, **Mr. Baisnabdas Pathak**, Assistant Professor, Department of Pharmaceutical Technology, Brainware University, Barasat, for his support and help during completion of the work. I am thankful and fortunate enough to get constant encouragement, support and guidance from all teaching staffs of the Department of Pharmaceutical Technology which helped me in successfully completing my project work. Also, I would like to extend my sincere regards to all the non-teaching staff of the Department of Pharmaceutical Technology for their timely support and lastly, I would like to thank my parents who helped me a lot in finalizing this project within the limited time frame. It helped me increase my knowledge and skills.
