

# Bharatiya Nirdeshak Dravyas (BNDs) Revolutionise India's Quality Infrastructure

**I**N the intricate world of science and technology, accuracy reigns supreme. Measurements act as the building blocks for innovation, dictating the quality of everything from life-saving pharmaceuticals to the sturdiness of bridges. Ensuring precise and reliable measurements is crucial for a nation like India, with its ambitious "Make in India" programme and a burgeoning economy. This is where the Bharatiya Nirdeshak

Dravyas (BNDs) come into play, a revolutionary initiative that transforms India's quality infrastructure landscape.

## What are BNDs?

BNDs, which translates to "Indian Reference Materials", are essentially Certified Reference Materials (CRMs) meticulously developed by the Council of Scientific and Industrial
